Other Fees	None		

CREDIT DISCLOSURES

How We Will Calculate Your Balance: We use a method called “average daily balance (including new purchases)”. See your Credit Card Agreement for further information regarding how we calculate your balance.

Loss of Introductory APR: Not applicable.

How We Will Calculate Your Variable APRs: We calculate variable APRs by adding a margin to the highest U.S. Prime Rate published in the “Money Rates” section of *The Wall Street Journal* on the 1st business day of each month. Any new rate will be applied on the first day of your next billing cycle. The APR may increase or decrease each month if the Prime Rate changes. If the APR increases, you will pay a higher interest charge and may pay a higher minimum payment.

Prime Rate: Variable APRs are based on the 5.50% Prime Rate as of 02/01/19.

For Purchase transactions: We add a margin of 6.24% to 19.24% to the Prime Rate (daily periodic rate of 0.0267% to 0.0623%).

For Balance Transfers: We add a margin of 6.24% to 19.24% to the Prime Rate (daily periodic rate of 0.0267% to 0.0623%).

For Cash Advances: We add a margin of 20.24% to the Prime Rate (daily periodic rate currently 0.0650%).

Late Payment Fee: The late payment fee is \$27.00 for the first violation and \$35.00 for each subsequent violation within the next six billing cycles. If the late payment fee is greater than the Minimum Payment, the fee will be equal to the Minimum Payment.

Returned Payment Fee: The returned payment fee is \$27.00 for the first violation and \$35.00 for each subsequent violation within the next six billing cycles. If the returned payment fee is greater than the Minimum Payment, the fee will be equal to the Minimum Payment.
